PROFESSIONAL SUMMARY

Results-oriented Economics graduate with demonstrated ability in client relationship management, business development, and achieving project targets. Proven track record in customer acquisition, needs assessment, and delivering tailored solutions through diverse professional experiences including web development, audit support, and freelance consulting. Strong analytical skills combined with excellent communication abilities and commercial awareness. Highly motivated to leverage economic knowledge and client-focused approach to drive deposit and loan portfolio growth in the banking sector.

CAREER OBJECTIVE

To secure a position in the Wema Bank Bankers-in-Training (Sales) Program where I can apply my economics background, client relationship expertise, and results-driven mindset to execute data-driven sales strategies, acquire new-to-bank customers, and contribute to branch profitability while developing into a future banking leader.

EDUCATION

B.Sc. Economics (Honors)

Ekiti State University, Ado-Ekiti, Nigeria — 2023

CORE COMPETENCIES ALIGNED WITH BANKING SALES

- Sales & Customer Acquisition: Client prospecting, needs assessment, relationship building, pipeline management
